## *Prayer to Our Lady of the Most Blessed Sacrament*

Most Blessed Mother, it was from you that Our Lord took flesh and blood and became man. It is with this same Sacred Body and Precious Blood that He now nourishes His Church in the Holy Sacrifice of the Mass. Aid us, then, in offering to your Son our love and adoration with the grace to establish a Perpetual Eucharistic Adoration Chapel at St. Joseph Parish in Ogden, Utah.

Help us to approach Him with reverence and respect, and assist us in making reparation for the many profanations and sacrileges to which Our Lord is subject.

O Blessed Mother of Our Lord and God, intercede with Him on our behalf that we might approach the Holy of Holies with faith and awe, that we might receive Him worthily in the Holy Eucharist, and that we might devoutly and frequently acknowledge His Real Presence in the Most Holy Sacrament of the Altar, with the establishment of a permanent Perpetual Eucharistic Adoration Chapel at St. Joseph Parish in Ogden, Utah.

Our Lady of the Most Blessed Sacrament pray for the salvation of our souls. Amen.

Please pray this prayer daily  
until the chapel opens.
