

Perpetual Eucharistic Adoration

The Silent Power Released in Adoring Jesus in the Blessed Sacrament

St. Joseph Parishes

Bakersfield, CA: From the desk of Fr. Wenzinger, Pastor. "There have been numerous miracles attributed to Perpetual Eucharistic Adoration, including the return of adult children to the Church, alcoholic sons and husbands joining AA and coming back to the Church, husbands and wives reconciled and non-Catholic spouses joining the Church.

Also there have been phenomenal physical healings, including one man who had been in an extended coma who was totally cured after the prayer of his small son, before the Blessed Sacrament.

One of the greatest ongoing miracles is the total lack of vandalism and crime since starting Perpetual Eucharistic Adoration. Our Parish is in the immediate vicinity of what you might call skid row, with the homeless shelter and rescue mission nearby. There have been no assaults, robberies or gang activity. It's like the Lord has placed a protective dome over the Church grounds.

Another miracle that I have witnessed, is the extraordinary cooperation and absence of jealousy between the different groups within the Church. They

have learned that by making our Eucharistic Lord the center of all activity, their individual interests are blessed beyond their expectations..."

What will it take to get YOU to spend time with Jesus, exposed, in the Most Blessed Sacrament?"

Upland, CA: When I go into the Adoration Chapel, I give all my problems to the Lord and tell Him all the pressure of my sickness. When I leave, I feel relief and peace. I am very grateful.

Joseph Perez, Scheduled Adorer (who comes in a wheelchair)

Having been through a trying time, I am grateful for being able to regain my health - so I'm joyful about being more spiritually involved by attending Mass and to continue again with my Holy Hour.

Cynthia Vowell, Scheduled Adorer

I was invited to participate in Perpetual Adoration by my dear friend. She picks me up and takes me home. God Bless her.

After 59 years of marriage, I lost my husband. I guess I was going through a period of grieving, so for me, I needed this.

Recently, I read an article about Pope John Paul II. He beatified Dina Belanger. She was devoted to JESUS in the Blessed Sacrament. During her holy hour prayers, Jesus revealed to her in a vision a multitude of souls on the precipice of Hell, after her holy hour of prayer, a multitude of souls went to heaven.

This really gave me a strong desire to be there with our Lord not only for the world but for my family.

A Very Grateful Adorer

I am thankful to the Lord for my life and

family and friends and for the many other big and small blessings I receive through His mercy every day.

Lord, I especially thank you for the grace of finding you again, in the Blessed Sacrament in the Adoration Chapel at St. Joseph.

Ofelia Varela, Noon Adorer

Christ has open arms. He wants people to visit Him in the Blessed Sacrament.

He wants the doors wide open.

Perpetual Adoration

by: A Grateful Weekly Adorer

Peace and contentment are common requests
a touch of heaven that sounds so good
Why not stop by the Adoration Chapel
You know you really should.

Do it for the love of God
And praise His Holy Name
And pretty soon you'll find
You're just not quite the same.

Every week I make my visit
A sinner to be true
But I find God's love and mercy here
and frankly so would you.

It's refreshing to be so content
And becoming so relaxed
Away from life's stresses
Serenity at last.

And so I invite you all
To share with God on high
You'll begin to love it
It's hard to say good-bye.

Pembroke Pines, FL: I come when my husband is home and I get the children to bed. That is my only quiet time in the whole day. My Silent Adoration hour is a must, that is where I get my priorities right.

He Listens to you!

Thank you for helping me find employment. Silent Adoration is when I get away from all my troubles, even my mother-in-law!

It is the best thing that ever happened to our parish. To be able to come here at whatever time you wish and know that our Lord is always waiting for you.

I am a senior citizen. I wish I knew about this years ago but I am making up for lost time.
